

Firdaus Zakari

Frontend Developer

✉ jannatofirdaus@gmail.com ☎ 0535298784 📍 Accra, Ghana 🌐 GitHub 🌐 LinkedIn

PROFILE

I'm a frontend developer skilled in HTML, CSS, JavaScript, React, TypeScript, jQuery, TailwindCSS, and Bootstrap. I specialize in building responsive, user-friendly interfaces with a focus on performance and accessibility. I'm passionate about crafting seamless digital experiences across all devices.

EDUCATION

BSc. Computer Science 2024 – present
Ghana Communication Technology University Accra, Ghana

PROFESSIONAL EXPERIENCE

Graphic Designer 2023 – present
Freelance

As an experienced graphic designer specializing in branding and digital media. I focus on creating clean, effective visuals that meet client needs and align with their goals. Committed to delivering quality work on time and building strong professional relationships.

Front-end Developer 2024 – 2024
SIBA Technology Accra, Ghana

At SIBA Technology, I gained hands-on experience with jQuery, React, and TypeScript, enhancing my front-end development skills. The role improved my problem-solving abilities by teaching me to break down challenges and implement efficient solutions while adapting quickly to new technologies.

PROJECTS

Voting App Project – System Analysis and Design Class ⓘ 11/2024
Created a voting app for my school's students, allowing only authorized users to log in. Built with HTML, CSS, and JavaScript, the project emphasized secure access and user-friendly design, while applying system analysis principles to deliver a functional solution.

E-commerce Website Project ⓘ 03/2024
Developed a functional e-commerce website using HTML, CSS, and JavaScript. Focused on creating a responsive design, smooth navigation, and essential features like product listings and a shopping cart.

GitHub Portfolio ⓘ
Explore my full range of projects on my GitHub repository, showcasing a variety of work across different technologies and domains. Visit the link above for a closer look at my development and design projects.
